

LEVIGNAC NOLHAN

LOOKING FOR A WORK-STUDY POSITION – GEII PROGRAM

PROFILE

Currently a student in Electrical Engineering and Industrial Computing (GEII), I am looking for a two-year work-study position in the field of industrial automation. Passionate about computing, robotics, electronics, and automation, I am eager to learn more and apply my skills in these areas. Highly motivated and a good listener, I am committed to contributing to your company's projects and growth. Competitive by nature, I enjoy pushing my limits and taking on challenges.

EDUCATION

- **Bachelor of Technology in Electrical Engineering and Industrial Computing (GEII)**
University of Poitiers, IUT Angoulême 2025 - 2027
- **French General Baccalaureate (Honors: "Bien")** 2024
Specialties : Engineering Sciences, Computer Science, and Mathematics
- **BAFA (Youth Work Certificate)** 2023
Includes PSC1 First Aid Certification

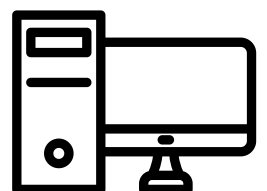

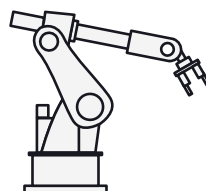

PROFESSIONAL EXPERIENCE

- **Youth Activity Leader** 2023 - 2025
- **Volunteering** 2020 - 2024
Homework help for middle school students, manual tasks in community centers
